STAMP VENDORS' SECURITIES AND STOCK TO BE EXAMINED.

Circular No. 1163, *dated* 13*th October* 1874.

A case having recently occurred where a Stamp Vendor's security has been found to be defective and insufficient, the vendor himself having absconded without accounting for the Stamps which were in his possession, the Deputy Accountant General has the honor to request that the Deputy Commissioners of Districts will direct the Treasury Officers to examine the securities of all Stamp Vendors who

sell Stamps on the credit system, whether at the District Head Quarters or in the Taluks, and to report any cases of an insufficient or doubtful character for the Deputy Commissioners' orders. The securities of the Vendors in taluks should be lodged in the respective District Treasuries.

Treasury Officers and Amildars are reminded that the balance of Stamps in the hands of Vendors should be examined half yearly in October and April as required by Circular No 708 of 7th September 1869, in order to ascertain that they are intact; and any Stamps that appear to be held by Vendors unnecessarily and for which there has been no regularly recurring demand, should at once be withdrawn. This examination of Vendors' securities and stock balances should be carried out immediately by Treasury Officers and Amildars, in the present month of October, and the prescribed certificates attached to the stamp returns for September.
